

The **NEW** All-In-One Electric Vehicle Pedestal System from Sun Country Highway

Increase accessibility to your EV chargers with the new All-In-One Pedestal - featuring the industry leading retractable cable system and **FREE** Parking Sign

Keep charging cords at bay, reducing the risk for trips and falls, promoting accessibility, and reducing insurance claims or liability. The pedestal system not only helps charger users, it also protects the cables against damage and harm. Constructed from sturdy, light weight 4" X 4" aluminum, the system is able to withstand all weather conditions. *Chargers sold separately
